

FRESH ORGANIC PRESSED FRUIT JUICE

Here at Pip we have been working with organic farmers for many years to ensure we choose the right apple varieties, at the right time, so that all of our juices are blended to perfection. We like to keep things simple so that you can enjoy the fresh taste of organic fruit the way it should be.

Bottles currently available in 1 litre format (case size 6) - RRP £2.69
250ml (case size 6) - RRP £1.49 - £1.69

Product range

Cloudy Apple

We select the juiciest apples available at harvest, then press and crush them for your enjoyment.

Apple with Mango

For a tropical twist we've added some succulent mango to tickle your tastebuds.

Apple with Cherry

We add delicious cherries known for their health boosting benefits to keep you in PIP top shape!
