

Some PUDDING LANE® facts...

Did you know?

- Every Pudding we make is **individually hand-made**. No two puddings are the same, only the same supreme moist taste, full fruit texture and traditional recipe and boiled-in-the-cloth method.
- We make every Pudding uniquely by hand, using almost **no machinery, no production lines, no plastic bowls or moulds** and weigh out into lined natural cotton cloths for cooking in old fashioned gas fired "coppers".
- We crumb our own **locally baked fresh bread and combine fresh local Free Range eggs with freshly melted butter** to use in each and every Pudding recipe.
- Every Pudding is cooked for a minimum of **6 hours** (even longer for larger Puddings) and then **hung to dry, age & mature individually & naturally on a line**.
- We use the **finest of natural ingredients**, the finest matured in Oak Brandy and Golden Organic Macadamia Nuts.
- We do Not use artificial; **Colours, Flavours or Preservatives** and all our Puddings are GM Free.
